Learning Objectives for Spring Therapeutics Update 2012:

1. To expose attendees to clinical topics/controversies in pharmacy practice.
2. To improve the knowledge of attendees in various areas of pharmacy practice.
3. To help attendees keep up-to-date with pharmacy practice in the areas of HIV, chronic kidney disease, and intensive care.

This program has been submitted to UBC Continuing Pharmacy Professional Development for review for Continuing Education Credits

Brought to you by the Programs Committee of the CSHP-BC Branch through your committed support of CSHP and the generous support of the following pharmaceutical manufacturers:
