Tips at this stage:

- ✓ Obtain clinical experience
- ✓ Practice evidence-based medicine
- ✓ Present, lecture & precept
- ✓ Engage in research and publish
- ✓ Lead quality improvement initiatives

Tips at this stage:

- ✓ Operate & manage
- ✓ Complete projects, not just start them
- ✓ Solve problems, don't deflect or expect someone else to make things better

Tips at this stage:

- ✓ Be prepared that work doesn't end at 4 PM
- ✓ Have your own leadership thesis
- ✓ Accept and engage in politics
- ✓ Good decision-making is a science
- ✓ Understand strategy, who your allies are and what resources you have
- ✓ Know you have blind spots
