Consent Agenda Policy	POLICY #1.0
Date Approved	April 9, 2024
Date Revised	

Purpose:

The purpose of this Consent Agenda Policy is to streamline the proceedings of CSHP BC Branch council meetings by grouping routine and non-controversial items for approval under a single motion without the need for discussion. The consent agenda should:

- improve the efficiency and effectiveness of council meetings
- provide an efficient process to acknowledge receipt of reports or approve regular, non-controversial, routine issues that come before council, or matters where no debate, discussion or explanation is expected or required
- help to manage time, as the council addresses all items listed within or under the consent agenda as a single item with one vote

Definition:

A consent agenda groups routine business items and reports which require no discussion or debate into one agenda item called the consent agenda or “consent calendar”

Scope:

This policy applies to monthly council meetings of the CSHP BC Branch. This policy does not apply to CSHP BC Branch committee meetings, finance meetings or the Annual General Meeting (AGM).
